CHAPTER 85

The image consists of two panels of a manga-style illustration. The top panel shows a close-up of a girl with dark, shoulder-length hair and orange eyes. She has a surprised or excited expression, with her mouth slightly open. Her hair is styled with a large black bow on the left side. A hand is visible on the right, holding a small object near her ear. There are pink sound effects: 'SHF' and '3...' near the hand. The bottom panel shows the same girl from a slightly different angle, looking more directly at the viewer. She has a slight smile. Her hair is now down, and she is holding a small object in her right hand. There are pink sound effects: 'SHF' and '3...' near the top left, and 'BA-DUM' and '3#' near the bottom left. The background is a simple, light-colored surface with some motion lines.

あとがき

「二度と自撮り送ってやんない！」
最終⑩巻です。
手に取っていただき感謝です！
ついに終わってしまいました！

連載開始のころは感染症で世の中が最もピリピリしていた
タイミングだったことを覚えています。
読んで少しでも気晴らしになってほしい、
支えの1つになってほしいと描き続けてきましたが
実際には読んでくれたみなさんに支えられっぱなしの
2年半でした。

漫画を描き、読んでもらって、その嬉しさをまた描く。
幸福で幸運な循環の中にいたと思います。
初連載でここまで描き続けられた自分は本当にラッキーです。

この連載ですっかり漫画描き中毒になってしまいました。
またのそのそと次が描けるようにがんばります！
また読んでくれたら嬉しいです！

本当にここまでありがとうございました！
地獄のように嬉しいです。
ではまた。

Afterword Translation Notes:

あとがき

Afterword

This has been the tenth and final volume of *I'll Never Send a Selfie Again!*

Thanks so much for picking it up! Our story is finally at its end!

When this comic began serialization, I remember everyone being so tense because of the pandemic...

I drew my comic as a lighthearted diversion to support people through a troubling time, but in the end, it was you readers who supported *me* over the past two and a half years.

Drawing manga and hearing all of my readers' reactions made me so happy, so I'll definitely keep drawing. They say happiness is borne of good fortune, and I certainly feel lucky for my first serialized comic to have lasted this long.

I got addicted to drawing manga over the course of this serialization, so I'm going to take my time steadily working on my next one! I hope you'll read it, too!

I can't thank you enough for your support!
It makes me devilishly happy.
I hope to see you again!

Takeya Takekake

Special
Thanks

Special Thanks

- F-san
 - My first editor, Yoshimoto-san
 - My second editor, Hamanaka-san
 - Everyone involved in the making of this book
 - My family, who always worry over me
- AND YOU!!

THE END

**Himari Himukai**

- Our pushy heroine, who instantly caves to being pushed around herself
- I drew her weird hair clip to give her a unique hairstyle
- Her name is "Himari" because her mom, Mayoi, likes alliterative names
- In early designs, she was a gyaru

**Eisuke Tsukishima**

- A weird and sometimes very bold boy
- I keep forgetting to draw the mole near his eye...
- He's a good listener, so he attracts extroverts
- He thinks of art as a hobby, rather than a potential career like Tohko

Hotaru

- The cool-headed friend
- Loves Himari very much
- Doesn't have a boyfriend

Rio

- The mature friend
- A little worried about Himari
- She actually does have a boyfriend

Tohko Hibiki

- An awkward girl who's hard on herself
- Most similar to, and most different from, my readers
- Definitely responsible for making this comic a lot lewder than it was before

Suzu

- The airhead friend
- She loves people who make her laugh
- Who knows whether she has a boyfriend?

**Mayoi Himukai**

- The mom, who is very popular with my readers for some reason
- Has her husband totally whipped, but loves him very much
- She knows what's going on but doesn't say anything
- Hers are the biggest in the comic

Eisuke's mom (who never got a name)

- The hopeless weirdo mom
- I tried not to draw hers too big
- Got divorced when Eisuke was young, but Eisuke never really had a hard time of it because her company was doing well
- The only person who can get Himari's mom eating out of the palm of her hand

The succubus and the hero

- A pleasure-loving demon and a super serious hero
- Though the succubus is patterned after Himari, Eisuke doesn't realize how much of her mom is in there, too
- Secretly, Eisuke designed the hero after Himari's brother Hikari

**Hikari Himukai**

- A serious little brother who worries about his sister's selfie habit
- He's not super fast but he's popular at school
- Likes Himari, but actually likes Eisuke too

THANK YOU SO
MUCH FOR READING!
